INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Frederic W. Coolwin,

R.F. D. No. 2,

Fate, Texas.

Sir:-

Your letter of August 10, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokeeas will be paid, is at hand.

You are advised that we cannot state what additional proof will be required in connection with your application, as the applications have not been taken up for final consideration. The Court of Claims in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 32,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

You will be notified if there is any further information required in connection with your application.

Very respectfully,

Special Commissioner

State of Tennessee

Monroe County.

Personally appeared before me N.M.McDaniel a Notary Public in and for said county, Alvin J. Irons, who made oath in due form of law and states that he is an applicant for participation in the fund of Eastern Cherokee Indian in the U.S. court of claims number 30206 that his name is correctly stated above, that his mother's name was Matildie Plemons before her marriage, that is her maiden name was Matildie Plemons, that the name of Matildie Plemon's mother was Matildie Rodgers, that Matildie Rodgers was a daughter of Rossie Taylor, that Rossie Taylor was a daughter of Richard B. Taylor who was a half breed Cherokee Indian and who, with his brother Andrew Taylor, was parties to the treaties of 1836 and 1856 and that Richard and Andrew Taylor drew money from the U.S. Government as Cherokee Indians before they were removed to the Territory west of the Mississippi. That the younger Taylors and Rogers refused to be enrolled because of fear of being removed to the Indian Ty. so affient has always been informed. That the reason he did not appear before the commissioner on June 25 was that his mail was addressed to him at Madisonville and he had come to Tellico Plains about two months before that time and that his mail was not forwarded to him at Tellico Plains until the 27 and that he went to Madisonville hoping to reach there in time to appear before the commissioner but when he got there the commissioner was gone from that point. April 28, 1908.

Mary E. Ross,

Akins, Oklahoma.

Madam:

In the application which you have filed for participation in the Eastern Cherokee fund, you state that your mother drew money once with the Cherokee Indians. Please state at what date she drew this money and at what place? Your application gives practically no information concerning your ancestry, and you are therefore requested to furnish this office with the names of your grandparents on both sides. Were they, or any of them, ever enrolled? Were any of your ancestors on the Emigrant Roll of 1851? Were any of your ancestors ever slaves? Were any of your ancestors Old Settlers?

Please state clearly all your reasons for thinking that you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Reply to my application 110.30232, also
my father's application 110.30230. I try to say
that my father was blind for a long time both
of his eyes were covered over with a white with
skinned, this prevented him from doing many
things which he would have done if he had
not been so affected, and when he was young
men a great many people could not tell
of people who was that simple, since
time but not all young people know that he was
part Indian, and that his blindness was a great draw
back. Many of our ancestors were Indians.
Jesse L. (my father) says he is of the
tribe that his people know as the noble
I think he was a revolution in Congress
of the time he was in Congress, North
Carolina. All people might to have
a good idea. He says that when he was a boy
people would come out to see if people
with a good idea. He was in
study of the things necessary to people. He

Thanking you i advance for your candid opinion as to the probabili ty of my chances for participation, and standing ready at all times to assist you in perfecting the claim, I am,

Ella Cox being first duly sworn deposes and says:

My name is Ella Cox, and I live in Weatherford, Tex. I am 47 years old. I claim my Indian ancestry through my father, James Sparks. I do not know whether he is living now or not. My father served in the Mexican war as a 16 year old boy, and enlisted in the civil war, since then we have never heard of him. His mother, Sally Norton, was 1/2 Cherokee Indian. My father was born in Spartanburg District, S. C. I can not tell where Sally Norton was born. I think Sally Norton died the first year of the war in Floyd County, Ga. She was well up in years when she died. My father James Sparks looked very much like an Indian and my grandparents on my mother's side were so opposed to my mother's marrying an Indian that they never told me much about his side of the family. We were all called little Indian children by my grandmother's side of the family when we were young, and I never heard anything else save that we were of Indian descent.

Your letter in regard to my claim
and my is referred to day.
my great grand mother
Nebeka Buckhalter
was a Cherokee Indian she
married a white man named
Archibald Hankner they
moved with the Indians from
South Carolina about the year
1820 and settled with the Indians
in Eastern Tennessee the
Cherokee Nation where she
died and died about 1868 over

2
a hundred years old.
When the Indians moved from Ten-
nessee to this Territory she and her
family remained in the old
nation as her white husband
desired, some of her descendants
except one ~~brother~~ ^{and} myself, from
the ~~territory~~ ^{Territory} as the land,
they were not enrolled with the
other Indians, we thought
it was best to remain
with his parents as
his mother said she was
two years old when they moved
with them. I came to the District in
1892 and wanted to make applica-
tion then but did not know how
I think it was in 1898 my
mother gave her name and
her children's names to a
man named St. Clay. he
claimed he was enrolling the
Indians names and we did
not know whether he put

3

was on the roll or not
Masi father Josa Faulkner was
a member of the Legislature of
Yen. and had considerable wealth
there is the reason he did not come
to this territory. ma is all the
child he had that came here
or claimed the Indian blood
was another was Amrice Wolf
a daughter of Henry Wolf he had
a brother Dennis and one named George
and they lived in Virginia. I don't
know whether they were on the
roll or not though they were
I do know descent is
from the Bookholder her son
Josa Faulkner his family
through Huntington ^{now} ~~now~~
myself Amrice Wolf
more of my ancestors were once
slaves the descent from the Wolf
family is Amrice Wolf my mother
and my self. This perhaps

William Hudson, after being first duly sworn,
deposes and says:

I am 84 years of age; I claim Cherokee Indian blood through my father. I have never received any Indian money from the government. Tried to get an allotment but failed. I have been with the Indians many times in Chambers County, Ala. I was not old enough to learn the Indian language. My father never received any Indian money. I lived in Hurd County, Ga. in 1851. From there came to Alabama. I never heard of any government agent paying money to Indian claimants. My father could talk among the Indians right smart. He was a farmer and lived with the white people. My father was a voter and I have always voted. I was granted citizenship in the Indian nation so the lawyer, Jos. P. Bars, of Ft. Smith, Ark., wrote me. I was unable to go there.

My name is J. R. Birchfield. I am 41 years old. I was born in Monroe Co., Tenn. I claim Indian blood through my mother. Her name is Elizabeth Birchfield, and she was Elizabeth Young before marriage. My mother died in 1894. 1900. I think she was 65 years. She claimed her blood through her father, Asa B. Young. I have been told that he or his father were quarter Indian. I am not able to say exactly. I knew my grandfather. He has been dead about 28 or 30 years. He was about 70 years. I have heard him and my grandmother say they had Indian blood. I don't know that I ever heard them say what kind of Indian, but I have heard them talk of the Cherokee Indians. I can't say that I ever heard that my mother was Cherokee Indian. I suppose Asa B. Young got his Indian blood from his father. His name was James Young. I have been told that he was born in North Carolina, as well as I remember in Cherokee Co. I do not know when he removed to Tennessee. I don't know that my great-grandfather ever moved to Tenn. My grandfather's brother, Lewis Young, was enrolled in 1851. So far as I know he was living here. My grandfather had a brother by the name of Lewis and a sister by the name of Eliza. I think they lived in North Carolina. I don't think they ever went to Indian Territory. Henry Smith, ~~an~~ cousin of my mother's, was enrolled.

Dear sir:-

Your letter of 28th relative to my claim for participation in the Eastern Cherokee fund is received.

"I am unable to tell you why my parents and grandparents were never enrolled, unless it was because they never knew that they could have been enrolled. As for myself, I never knew until your letter was received, that I ever had the right to be enrolled."

"No, none of my ancestors were ever slaves."

If I have failed to state ^{any} of the necessary things in my application for participation in the fund, and you will let me know what is necessary and I can of right establish the point, I shall be glad to do so, but it would be easy for me to do, if a commissioner would come here, and take a look at me and hear from the white people of this County.

Bettie Helton.

Matilda Mabe being first duly sworn deposes and says:

I am 60 odd years of age, and live near Danbury, Stokes County, N.C. I have lived there all of my life. My mother was named Patsie Mabe. She was born in the same place, and lived there all of her life. Her mother was Lucinda Helton, and her mother was Bettie Wheeler, or Bettie Helton. I claim my Indian blood through Bettie Helton. I have never been enrolled as an Indian. I have been called an Indian by my neighbors when they get fretted with me. At other times I passed as a hite woman. My mother also passed as a White woman. We call ourselves White people. I have heard my grandmother say that her mother was an Indian woman, and came from Albemarle County, Va., but all of them I have known have lived in Stokes County. I disremember hearing my grandmother say that she was an Indian, but I might have heard her say so. I don't remember whether I have ever heard my mother say that she was a Cherokee Indian. I have never heard of my mother being enrolled as an Indian. I have never applied for enrollment as an Indian before this. I have never lived with a tribe of Indians. I have never seen one. No Indians have lived in this country that I ever knew of. I have heard my mother speak of Indians living where she lived. I do not know when my mother was born, but she has been dead about 11 years, and was 70 odd years at her death. My grandmother died before my marriage, and was in her 90th year at the time of her death. She was born in Albemarle County. I claim my Indian blood through Bettie Helton only. I have a half sister by the name of Agnes Mabe. I am the aunt of Laurel Mabe. My children have attended the hite schools. The children of my half sister, Agnes, also attended the White schools. Sallie Mabe is my half sister also, and the same facts apply to them that apply to me.

Bettie Helton.

Leander Nelson being first duly sworn deposes and says:

I am 73 years of age and live near Danbury in Stokes County, N.C., and was born in Stokes County, and have lived there all of my life. I am acquainted with Agnes and Matilda Mabe. Agnes Mabe claimed through her mother, whom I knew personally. ~~xxx~~ The mother of Agnes was named Lucy Mabe and afterwards Lucy George. Agnes Mabe is about 73 or 74. She has lived in my neighborhood all of my life. Her mother was said to have been born in Stokes County also. I have never heard of her mother being enrolled as an Indian, nor have I heard of Agnes being enrolled as an Indian. They both passed as white people. Lucy's complexion was dark. I have heard Agnes say that her grandmother told her that she was closely related to the Cherokee Indians and that her great grandmother, Bettie Helton, was a Cherokee squaw. Agnes, Sallie and Matilda Mabe claimed back to Bettie Helton. Sallie Mabe is a sister of Agnes Mabe, and a first cousin to Matilda. Bettie Helton was said to have lived in Bedford County, Va. This family has not passed as white in this community. They have never been called Negroes that I have heard, but have been called Indians. I have heard some of the old people hold up to them that they are Indians. ~~xxx~~ The Mabe's are generally known in their community as Indians. I have never heard Laurel Mabe call himself an Indian that I remember, although he has said he was related to the Indians. I don't know whether the children of Laurel Mabe go to school. I do not know Silas M. Mabe. Laurel Mabe lives about two miles from me, and passed my house once in two weeks. I have visited his house and know him quite well. The school house is about half way between us. My son runs a store near the school house, and I go there quite often. I don't know Laurel Mabe's oldest son, Silas, and do not know whether he goes to that school. His children are small, and I don't know what name his oldest son goes by. Laurel Mabe is now present in the room.

That I am 47 years of age and claim my Indian descent through my father; my mother was a white woman. My husband is a white man. My father claimed Indian through his mother, Nancy Richardson. My father was in his sixties when he died. He was born in Overton Co., Tenn. He lived there until just before he died. My father was recognized as an Indian in the community. I am recognized as white with some Indian blood. My father claimed to be 1/4 Cherokee. My father nor his mother never lived with the Indians as members of the tribe that I know of. My great grandmother was a full blood. Her name was Merriam Munsey, or Muncie. She was raised in the Cherokee Nation, but I don't know where. I have two sisters older than myself who have seen my great grandmother. I have three brothers but they have not filed application. They put it off too late. I never made application to the Dawes Commission. My father nor his mother were never on any rolls that I know of and I never heard that they ever received any land or money from the government.

COMMISSION OF CLAIMS
EASTERN CHEROKEES.

JUL 24 1907

30371.

Kentuckytown Texas July 20/07

Mr Union Miller

Washington D C

Dear Sir

I herewith enclose application of My Wife Mahala Shumly (nee Richardson) and our three children for their share of any funds which may be due them as descendants of the eastern branch of Cherokee Indians.

In explanation of the vagueness of some of the answers I will state that My Wife is one of a rather large family of children who were from necessity separated at a very early age and in the course of years have almost lost the knowledge of each others

whereabouts. Still their Indian blood is indisputable. And any error or Omissions which you may find in the Applications can and will be corrected as soon as we are notified of same and have time to correct them.

As it may be that I will have to go to the place of my wifes birth in search of proof I respectfully ask of you to give me an early answer if one be needed and tell me all that will be required in the way of proof.

Truly

J. B. Chumbley

Sir:

Your letter - of Apr. 26-08. At hand Aunt Cordelia noted. in reply to your questions as to why my self, Parents, and Grand Father, were never enrolled; I am not sure to say, as I do not understand when a survey is in this case, My Grandfather Henry Richardson, told me his mother (my great-grand-mother)

was a full blood Cherokee
Indian, and I think her
 maiden name was Maria

Guion Miller, Special Commissioner,

Washington, D. C.

Dear Sir:

I have read the enclosed letter to you by Mrs. Mahala Chumbly, and will state that I have known her for fifteen years. I also knew her father. He was an illiterate man and for years and an invalid, which doubtless accounts for him not filing application during his life time.

Mr. Chumbly advises me that his wife made an effort to get proof of their claim about fifteen years ago, but her attorney disappeared with the data furnished him.

I will further state that, from the appearance of Mrs. Chumbly and her family, I think there is merit in her claim.

Yours truly,

*P.S. I have lived here 20 years and can
verify the above facts having known the
applicant that long - I too believe the case
one of merit - and hope you can devise some
way they can make an irrefutable proof -*

Elizabeth Young, being duly sworn, deposes and says:

My name is Elizabeth Young. I am 68 years old. I was born in Cherokee County, N. C., on the Hiawasse river. My name was Young before marriage and after marriage. I claim my Indian blood through both father and mother. My mother's name was Mary Hawk, married name Young. My mother was about 50 when she died and she died in 1871. She claimed on her father's side and her mother was a white woman. My mother was born in North Carolina in Cherokee county. My father never went west, but my grandfather did. I cannot tell whether we lived in North Carolina or Tenn. in 1851. We were not enrolled in 1851, as my father was back in the mountains of Monroe Co., in 1851. I do not think my grandfather was living in 1835. Grandfather Young died when I was 8 years old. My grandfather Hawk and grandfather Young were both living in Cherokee Co., in 1835. I don't remember any Baldrige Hawk. I have two brothers living in the nation, Henry and John Young. I don't know whether they ever got any land in the nation as they have been gone about 21 years. Henry has been gone 30 years. I never got any Indian money, and don't know that my mother or father ever got any. My mother and we all lived among the Cherokee Indians, and went to school with them. We lived on the Hiawasse below Murphy. I know J. R. Birchfield (#30295). He is a second cousin, his mother being my first cousin. Asa B. Young was my uncle, my father's brother. J. R. Birchfield claims his Indian blood through his mother, and Asa B. Young.

Hon. N. W. Hale, M. C.

Washington, D. C.

Sir:

I have a claim pending before Hon. Guion Miller, Special Commissioner of the Court of Claims, No.30336, for participation in the division of Eastern Cherokee enrollment, as a son of Haret Acles who married my father, Jackson Thomas. My recollection is that I was enrolled with my mother about 1851 in Polk County, Tennessee, by an Agent whose name I now remember as Edwin Fallden. Please find if I was enrolled as one of my mother's sons. I was enrolled as I now remember as James Jackson Thomas, but when I was enrolled as a soldier the recruiting officer said that Jack and John were the same and wrote my name as John, and I have borne that name since.

If I can get this enrollment as an Indian in 1851 it will give the true record of my age which I cannot get otherwise.

Yours,

John Thomas.

Honorable Nathan S. Hale,

Sir:

I have the honor to acknowledge receipt of your reference of April 27, 1908, of a letter from Mr. John Thomas, of April 25, 1908, in which he makes inquiry as to whether his name appears upon the Eastern Cherokee roll of 1851, and whether the name of his mother so appears.

In reply you are advised that it does not appear that either John Thomas' name or that of his mother appears upon the Eastern Cherokee rolls of 1851. The examination was made as to the name of his mother under both her maiden and married name.

Mr. Thomas' letter is returned to you, herewith, as requested.

Very respectfully,

Special Commissioner.

I think Andy Hooper was born in Jackson Co., N. C. in 1856;
I know him personally; he got his Indian blood from his mother;
his mother's name was Susannah Hooper; she was sometimes called
Susannah Crow; I think she was born in N. C., but I do not know

whether the father and grandmother of Sally Hooper were ever

she claims her Indian blood were ever held as slaves; Susannah

George Guy, being first duly sworn, deposes and

says:

My name is George Guy and I reside at Franklin, North Carolina. I was born in Macon Co., N. C. in 1946. I claim relationship to the Cherokee Indians through my mother, Viny Guy, who was a half Cherokee Indian, and she claims through her father, Jesse Guy, who was a full-blood Cherokee Indian. My mother was born in Macon Co., N. C., and my grandfather was also born in this County. I remember my mother very well and remember seeing my grandfather, although I was quite small at the time. My mother told me that I had Cherokee Indian blood. My mother was born and raised among the Cherokee Indians. I know of no enrollment, nor of them having receiving any money or lands from the Government. My people were always recognized as white with Indian blood. My grandfather lived and died in Macon Co., N. C. I remember the Indians visiting our home and also of my mother visiting them. She would often go off alone when she paid visits to the Indians. My mother would only be gone about half a day, as the Indians lived very close to us. She never told us the names of the Indians that she visited. My mother had several brothers and sisters, namely, Katherine, Michael and Daniel. Daniel Guy went west with the Indians. My mother never was married.

No. 30349.

Mandy Carroll, being first duly sworn, deposes and says:

My name is Mandy Carroll and I reside at Piedmont, Ala. I was born in Lumpkin Co., Ga. in 1861, near Dahlenoga. I claim relationship to the Cherokee Indians through my father, Nowt Gadyon, who was a half Cherokee Indian. My mother was a white woman. My father was born in Lumpkin Co., Ga.; he died about 1864 and was about seventy-five years of age. I remember my mother very well, as she did not die until about 1900. All my information was received from her. She told me, just prior to her death that I had an Indian claim on my father's side and that he was a Cherokee Indian. My father had several brothers, whose names were Hixson, Jasper, Zachariah, John. My aunt on my mother's side told me that my grandfather went off with the Cherokee Indians to the Cherokee Nation. My people were always recognized as white with Indian blood. I know of no enrollment of my father or his people as Indians, but it was a known fact that we were Cherokee Indians. My father strongly resembled an Indian and wore his straight, black hair over his shoulders. I remember seeing two of my father's brothers and they were always taken as Cherokee Indians.
